SIR

Subject - Regarding the grant of a bit of land lying to the north of the Wellington Lodge at Mysore free of cost to the Education Department for being added on to the school compound

I have the honor to state that Government directed in their order No L 8147-52/M L 273-28-4 dated 4th June 1929 that the triangular bit of land measuring about 3910 square yards, situated to the north of the drain near the Wellington Lodge at Mysore, might be handed over to the Education Department by the City Improvement Trust Board, Mysore, for being added on to the School compound to make it available for the play-ground. The Chairman of the Trust Board, who was accordingly requested to hand over the land to the Education Department, states that a sum of Rs 3,910/- being the value of the said piece of land, may be remitted to the Trust Board.

In this connection, I may state that a good bit of the compound behind the Training College Mysore, was made over to the Municipality, free of cost for opening a road and a fresh compound wall was also constructed at Government cost. In consideration of this, it is but fair that the Municipality should give the land in question, free of cost, to the Education Department. Though the two authorities are different the fact that the Education Department has contributed to the improvement

improvement of the City, should enable it to get the ground free otherwise it has no alternative for want of funds, except to return it to the Trust Board, as the Training College has no special use for the additional ground

In the circumstances I request that Government may be pleased to direct the Trust Board to hand over the land in question to the Education Department (free of cost

being added on to the school compound

I have the honour to state that Government directed in
their order No L 8147-52/ L 273-28-4 dated 4th June 1929, that

the City Improvement Trust Board Mysore, for being added on to

The Chairman of the Trust Board who was accordingly requested
to hand over the land to the Education Department states that
a sum of Rs 3,910/- being the value of the said piece of land
may be remitted to the Trust Board

In this connection, I may state that a good bit of the

Sir,

With reference to your letter No L 219/M1 250-34-2 dated 9th July 1935 and subsequent reminders regarding the grant of the triangular plot of ground lying to the north of Wellington Lodge, Mysore, to the Education Department, I have the honor to state that as per Government Order No L 8147-52/273-28-4 dated 4th June 1929 the said land was handed over to the Education Department. But as there was no mention made in the said Government Order that it should be given free of cost and as in a similar case viz, grant of land in Vani Vilasa Mohalla for the construction of a Training College, the value of the site was recovered from the Education Department, a reference was made to them to pay the value of the land in question also. The area in which the land is situated is vested in the Trust Board as per Government Order No 3845-7/M1 205-04-6 dated 17th October 1905.
